## Make Your Own: Air Freshener

### Materials:

12-20 oz. Spray Bottle  
Fabric Softener (Liquid or Beads)  
Water (Faucet/ Purified/ Distilled)

### Directions:

- Step 1:** Label the spray bottle "Air Freshener"
- Step 2:** Take 2 tablespoons of liquid fabric softener or 1/4 of a cup of the beads and put them in the bottle.
- Step 3:** Add 1 cup of warm water.
- Step 4:** Shake well and use.

**Notes:** This may be used on bedding and furniture.  
To ensure no discoloration, please test on a small area first.  
The spray can make tiled or hardwood floors slippery.
